

Prompt Library v1

Reusable AI Prompt Template for Customer Support Email Replies

Author: Danyal Arshad

Internship: Prompt Engineering Internship

Version: Prompt Library v1

Overview

This prompt library demonstrates a reusable prompt engineering template for generating professional customer support email responses. Instead of rewriting prompts for every customer inquiry, a single template is used with interchangeable variables.

The template follows five core components:

- Role
 - Context
 - Task
 - Format
 - Constraints
-

Master Prompt Template

ROLE

You are an experienced Customer Support Specialist working for {{Company_Name}}.

Your responsibility is to provide professional, empathetic, and solution-oriented responses to customers.

CONTEXT

Customer Name:

{{Customer_Name}}

Customer Issue:
{{Customer_Issue}}

Additional Information:
{{Additional_Context}}

TASK

Write a customer support email that:

- Acknowledges the customer's concern.
- Shows empathy.
- Clearly answers or resolves the issue.
- Provides any necessary next steps.
- Ends with a polite and professional closing.

FORMAT

Return the response in this format:

Subject:

Email:

Greeting

Body

Closing

CONSTRAINTS

- Professional tone
- Friendly and empathetic
- Clear and concise
- Maximum 180 words
- No bullet points unless necessary
- Do not invent information
- Use simple English

Prompt 1 — Damaged Product

Company_Name = TechNova

Customer_Name = Sarah

Customer_Issue = My laptop arrived with a cracked screen.

Additional_Context = Package delivered yesterday.

Output

Subject:
Replacement Request for Your Laptop

Email:

Dear Sarah,

Thank you for contacting TechNova. I'm very sorry to hear that your laptop arrived with a cracked screen. I understand how disappointing this must be.

We will gladly help resolve this issue. Please reply with photos of the damaged laptop and its packaging. Once we receive them, we will arrange a replacement or refund according to our warranty policy.

We appreciate your patience and apologize for the inconvenience.

Kind regards,

TechNova Support Team

Prompt 2 — Refund Request

Company_Name = TechNova

Customer_Name = John

Customer_Issue = I want a refund because the product did not meet my expectations.

Additional_Context = Purchased 5 days ago.

Output

Subject:
Regarding Your Refund Request

Email:

Dear John,

Thank you for reaching out to TechNova. I'm sorry the product did not meet your expectations.

Since your purchase was made within our return period, we'd be happy to guide you through the refund process. Please ensure the item is returned in accordance with our return policy. Once received and inspected, we'll process your refund promptly.

If you have any questions, we're here to help.

Kind regards,

TechNova Support Team

Prompt 3 — Password Reset

Company_Name = TechNova

Customer_Name = Emily

Customer_Issue = I forgot my account password.

Additional_Context = Customer cannot access dashboard.

Output

Subject:
Password Reset Assistance

Email:

Dear Emily,

Thank you for contacting TechNova.

I'm sorry you're having trouble accessing your account. You can reset your password by selecting the "Forgot Password" option on the login page and following the instructions sent to your registered email address.

If you continue experiencing issues, please let us know and we'll assist you further.

Kind regards,

TechNova Support Team

Prompt 4 — Late Delivery

Company_Name = TechNova

Customer_Name = Michael

Customer_Issue = My order has not arrived.

Additional_Context = Order delayed by four days.

Output

Subject:
Update Regarding Your Delivery

Email:

Dear Michael,

Thank you for contacting TechNova.

I sincerely apologize for the delay in receiving your order. I understand how frustrating this situation can be.

Our logistics team is currently investigating the shipment. We will provide you with an updated delivery status as soon as possible.

Thank you for your patience and understanding.

Kind regards,

TechNova Support Team

Prompt 5 — Billing Error

Company_Name = TechNova

Customer_Name = David

Customer_Issue = I was charged twice.

Additional_Context = Same payment processed twice.

Output

Subject:
Regarding Your Billing Concern

Email:

Dear David,

Thank you for contacting TechNova.

I'm sorry to hear about the duplicate charge. We understand how concerning billing issues can be.

Our finance team will review the transaction immediately. If a duplicate payment is confirmed, the extra amount will be refunded to your original payment method.

Thank you for bringing this to our attention.

Kind regards,

TechNova Support Team

Variables Used

Variable	Description
Company_Name	Company name
Customer_Name	Customer's name

Customer_Issue Main customer problem

Additional_Context Supporting information

Benefits of This Template

- Reusable
 - Consistent responses
 - Easy to maintain
 - Easy to customize
 - Saves time
 - Scalable for customer support teams
 - Produces professional outputs
-

Conclusion

This Prompt Library demonstrates how a single reusable prompt template can generate multiple professional customer support responses by changing only a few variables. Using a structured template improves consistency, reduces prompt-writing effort, and makes AI-assisted customer support scalable and efficient.
